Subject: A Note of Thanks

Dear Mr. Srikant and Mr. Lava,

I am a doctor working at Lisie Hospital and have been staying at your SFS Center Cove for the past few years in a flat rented through SFS Home Care division.

I felt I should write to you personally to say how much I admire the way you are carrying forward your father's legacy.

I also want to thank Yamini from SFS Home Care. She was always reasonable with rental hikes, and so was the owner. Also, a heads up to request me to move out from the apartment was given well in advance.

Living at SFS Center Cove has convinced me that the flat itself is the best advertisement for your work. The quality and comfort speak for themselves. When I am able to afford one, I would definitely want to own an SFS apartment.

This is a thank-you note from the bottom of my heart. I moved in with my toddler, and now I see him growing into a five-year-old here.

Wishing you both continued success as you build on this remarkable legacy.

Yours sincerely,
Dr. Thomas Kurian
